

## **Our Libations**

Our wine list looks towards Italy, where their history of quality and value sits well next to our traditional pizzeria fare. We've introduced a select group of BC and global wineries, each chosen for their specialties; the things they do best. There are spectacular wines at reasonable prices, and more extravagant ones that still offer great value. From the Okanagan to Tuscany, from Mendoza to Marlborough and from Napa to Naramata, Stonefire takes you on an adventure in wine tasting.

Our craft beer is brewed in The Kootenays. We've added two west coast award winners from Whistler and Vancouver Island to round out our mix. Along with our imports and Canadian classics we truly offer something for every taste.

Our Spirits are premium, our cocktails delicious and our shooters guaranteed to pick you up! So enjoy your favorites, and please drink responsibly.
